GUARANTEED...Total Loss Replacement

If your RV is destroyed within its first five model years, this coverage will ensure that you get a brand new RV - even if it costs more than you paid for the original unit! For model years six through the life of the policy, our companies will pay no less than the original purchase price you paid for your RV toward the purchase of a new RV. (Available on RVs up to two years old)

24-Hour Towing and Roadside Assistance

Why hassle with buying a separate towing package when it's included in your RV insurance coverage? No out-of-pocket payment; just sign and drive and our companies will pay for unlimited expenses to get your rig to the nearest qualified repair facility. Tow vehicles pulling a trailer are covered too.

Replacement of Personal Items

We automatically cover \$2,000 of your clothing, cameras, tools, electronics, and other personal items in your RV. What's more, we cover your items at replacement cost so you can replace those items with brand new ones of like kind and quality.

Emergency Vacation Expenses

Our companies pay for temporary lodging, auto rental, and travel expenses if you're involved in an accident while more than 50 miles from home.

Premises Liability for Your Campsite

Similar to a homeowner's policy, our companies will protect you from injury liability if others are injured in or around your RV.

Also Included...

- Damage to Awnings
- Damage to Satellite Dishes
- Comprehensive Theft & Fire Coverage

Fast, Easy, Claims Service you can Trust

Our companies offer 24-hours a day, 365 days a year direct claims reporting service from anywhere in the United States or Canada. Our experienced RV claims representatives can arrange for a prompt repair of your RV and get you back on the road as quickly as possible.

Optional: Full-timer Coverage

If you use your RV more than 150 days per year, you must purchase Full-time Coverage. Much like a homeowner's policy, our policies provide comprehensive personal liability coverage that pays for bodily injury and property damage caused by an accident in which you are held liable. Auto policies don't provide full-timer coverage.

Full-timer's Coverage for Stored Personal Belongings

This optional coverage pays for the loss of, or damage to, the full-timer's household contents that are stored in a commercial mini-storage facility.
